OF SUNDAY HIKERS

Good Nights of Rest and Fine Country Dinners Made the Trip Delightful.

-Motion pictures are to be taken o the wanderlusters when they make their walk today. They are to start from the 9th street car line terminus at Takoma Park at 2:30 o'clock. John Boyle, jr., is to be the leader.

The "official" account of the three day hike recently taken, and including Memorial day, follows:

"The wanderlusters are probably the first organization to realize the value of the Massanutten area in the Shenan deah valley as a recreation ground. Saturday afternoon a party of eighteen C. L. Woodin, Margaret Rogers, Nellie Brosnan, Zaida Nicholson, Florence Wieser and Zuleika W. Felder—went by the Southern railway as far as Water Lick, where they were assigned to the homes of J. W. The others in the party made a more diffect route to Powell's Fort manganese mines. J. Carson Adkerson, in charge, took much interest in conducting the party around, including a visit down one of the shafts, Iso feet deep. At the mines also was found a very timely shelter, for hardly had we reached it when a heavy thundershower broke loose.
